## RUBOO ARDH AL-IRAQ for General Contracting

# **ENVIRONMENT POLICY STATEMENT**

---

**RUBOO ARDH AL-IRAQ GROUP** is a Iraqi leader in providing technology-enabled solutions and services.

The RUBOO ARDH AL-IRAQ GROUP Senior Management Team recognises the importance of managing and reducing RUBOO ARDH AL-IRAQ GROUP 's environmental impact and is committed to the realization of RUBOO ARDH AL-IRAQ GROUP 's Environmental Policy objectives - to manage and reduce current environmental impact and risk - and to ensure environmental considerations are built into our future business growth.

**RUBOO ARDH AL-IRAQ** acknowledges that the greatest risk of environmental impact from its operations is the consumption of grid electricity, creating indirect emissions of greenhouse gases during generation and the possibility of indirectly consuming non-renewable fuel resources. Additionally, the on-site combustion of fuels at RUBOO ARDH AL-IRAQ GROUP locations to provide heating and power, and the consumption of fuels for business travel are also significant contributors to the RUBOO ARDH AL-IRAQ GROUP environmental impact.

**RUBOO ARDH AL-IRAQ** will commit sufficient resource and maintain an accredited environmental management system to manage and reduce identified environmental impacts through a process of continual improvement, measuring, managing, monitoring, setting relevant targets and annually reporting on all significant impacts. The management system will include processes and controls to ensure compliance with all applicable environmental legislation and to prevent pollution. The **RUBOO ARDH AL-IRAQ** environmental management system has been externally assessed and accredited to ISO14001.

**RUBOO ARDH AL-IRAQ GROUP** adherence to this environmental policy is regularly externally assessed as part of the ongoing 14001 audit programme.

**To achieve these policy objectives RUBOO ARDH AL-IRAQ will:**

- Calculate an operational carbon footprint and publically report on an annual basis.
- Support and work with its clients in their endeavor to achieve their own environmental objectives;
- Monitor and manage energy working to reduce usage at all RUBOO ARDH AL-IRAQ GROUP controlled locations.
- Continue to procure accredited green and CHP grid electricity when available and economically viable.
- Continue to review all aspects of fleet use and related emissions.
- Continue efforts to decrease absolute waste volumes and increase the levels of recycling.
- Communicate and promote environmental awareness and RUBOO ARDH AL-IRAQ GROUP objectives to all employees and others on its undertaking;
- Make a copy of its environmental policy and impacts available to its internal and external stakeholders;
- Maintain contingency plans to deal with any foreseeable environmental incident;
- Consider its current and likely future impact on the local community and respond promptly to their concerns.
- Maintain an applicable register of legal and other requirements and audit for compliance.
- Aim to place its business with suppliers and subcontractors who minimize the impact of their activities on the environment;

This policy statement will be reviewed periodically to ensure that it remains relevant and appropriate to the organization.
